

About Allan Bauman

Allan Bauman has been actively training dogs for over 28 years.

He started his early career by successfully competing in Obedience Competitions. This developed into a career of Pet Care and Dog Training. He operated Goldenbrook Kennels for 18 years, where they handle over 300 dogs per week. Through his pet care facility, Allan discovered the need for training family pets. He set the goal of helping the family pet owner to get their rambunctious adolescent puppy under control using gentle, effective methods that even the youngest family member could apply. Allan has become well known for his gentle yet effective methods.

Whether you are looking for building reliability on retrieving or more control on distant commands, you will not want to miss this opportunity for some fresh insights into gentle yet very effective methods.
