

AUTHOR PROFILES

JOSHUA LEEDS

Joshua Leeds is a sound researcher, music producer, and educator. He is one of few published authorities in the emerging field of *psychoacoustics*—the study of the effect of music and sound on the human nervous system, and *bioacoustics*—how human sound affects other living beings. He is the author of *The Power of Sound*, *Sonic Alchemy*, and the upcoming *Through A Dog's Ear* (Spring, 2008). His application-specific soundtracks are used in homes, clinics, and classrooms around the world. He presents seminars internationally and is a faculty member of the California Institute of Integral Studies, located in San Francisco.

SUSAN WAGNER, DVM, MS

Susan Wagner, DVM, MS, of Columbus, Ohio, is a respected veterinary neurologist and a pioneer in the area of human–animal bond. She is an active public speaker and adjunct faculty at the Ohio State University College.

LISA SPECTOR

Lisa Spector is a graduate of The Juilliard School. She has won first prizes in prestigious national piano competitions, and performs concert tours internationally. A lifetime dog-lover involved in agility training and competition, she has served as a volunteer puppy raiser for Guide Dogs for the Blind.
