

Ted Turner

Contact: [peregoyb@yahoo.com](mailto:peregoyb@yahoo.com)

Ted Turner has a diverse animal background with 30 years experience in applying learning principles to various species of animals including birds of prey, parrots, terrestrial and aquatic mammals at Sea World, and has trained animals for TV, movies and commercials. Ted is an active researcher and presents information and data on animal learning to various organizations. He presents his information at universities and museums and conducts seminars around the world. He has been conducting dynamic, hands-on pet training clinics and dog training seminars for more than 12 years.
